Mather to Represent The Upland News at Peace Conference

Authority To Report On Deliberations

As a representative of The Upland News, Wiley W. Mather will attend the international peace conference in San Francisco.

The News has been able to obtain a coveted press credential for three days, and the distinguished Uplander will represent this community's newspaper on May 14, 15, and 16.

Mr. Mather, a member of the Chaffey college faculty, and recognized as the most up-to-date authority in this area on world political and social problems, will go to the city of the peace gathering to report developments for The News readers. His reports will also be published in The Fontana News.

His first report on the San Francisco gathering will be published here May 15. While the daily press reports the headline developments, The News will publish from Mr. Mather a verbal description of the momentous gathering and "background atmosphere."

A keen observer and a fluent writer and speaker, Mr. Mather will report in his inimitable manner on the world-famous characters and the conference procedure.

More than 1200 newspaper men, radio commentators and special writers are at the conference and Mr. Mather will join this group for his special assignment.

World Peace Possible If Understanding Is Developed, Mather Tells Audience

World peace and security will not come through a simple formula, but will come through a clear understanding of many complicated social and economic problems in the modern world.

Such a belief was stated by Wiley W. Mather last night in his third lecture of the supplementary forum series being conducted at the Merton E. Hill auditorium at Chaffey.

Mr. Mather stressed the necessity for an understanding of such vital problems as world trade, immigration, raw materials, cartels, as only a few of the problems which face the post-war world.

Besides the necessity for a thorough knowledge of these problems, the speaker pointed out the need for "a new set of symbols in order to fuse the peoples of the world into an entity."

He reminded the audience that great documents live only as they become symbolic, and he predicted success for the document which is being formed at San Francisco if it produces a method whereby people may shed their collective blood in a common fight for a better world. This "more perfect union" of the nations of the world must grow out of man's common fight against disease, poverty and war he said.

U.S. IS ENIGMA

In discussing the present conference at San Francisco, Mr. Mather stated that the enigma of world politics is the United States and not Russia, as is commonly believed by many in this country "And strangely enough, it is the United States and England that need the San Francisco Conference—not Russia." Russia, at the end of the present conflict, will find herself in the enviable position of being spread across two continents with her bordering enemies defeated.

In his discussion of modern social problems, the speaker endorsed the practice of sterilization of the mentally unfit. Making a distinction between his ideas of the use of sterilization and those as practiced in Nazi Germany, he pointed out that the American people are "too squeamish" to put into effect the scientific knowledge that will better the race.

In a plea for more education which will teach students the problems of other countries, Mr. Mather said that the price of one battleship would go far toward paying for the training of students in international affairs.

TARIFF IS CAUSE

He branded the "insane tariff" that followed the first world war as one of the causes of the present conflict. "The folly of our tariff policy was not seen for many years, because we kept putting millions of dollars back into Europe." As soon as American investments stopped going to Europe, the countries of that continent discontinued their debt payments to the United States.

He advocated that this government write off the lend-lease as a cost of the war, and not expect to collect it from nations that can not pay.

Voicing the fear that the present naval leaders will influence this government to annex the Pacific islands that have been invaded by American troops, he stated that the "trustee policy" of control will be better for these islands. "Holding these islands under any guise except a genuine trusteeship

X-Ray Unit To Serve Many Here

Several hundred students and many scores of adults are expected to undergo X-ray examination when the tuberculosis mobile unit comes to Upland next week.

Students in the Upland schools who apply for the free examination will be served on Monday with Tuesday and Wednesday reserved for adults. Persons wanting to receive the X-ray test for tuberculosis are to telephone the Upland elementary school and make reservations.

Time required for the examination is very short. About 50 persons can be examined in an hour.

"The children have shown a great deal of interest in the examination," reported Mrs. Lloyd Gilmore, school nurse. "We expect a record number of persons to be served by the mobile unit . . and we want every interested person to register immediately."

Glenn Atwood Named Secretary of County Grand Jury

Glenn M. Atwood of Upland has been named secretary of the San Bernardino county grand jury for 1945-46. A. W. LaForge of Chino is chairman. Mrs. L. R. Nichols of Upland is also a member of the inquisitorial body.

No jury meetings have been held since the organization of the group recently. Committee appointments will be one of the first moves in planning the year's work.

Building Permits Given New Boost

May building total is at the $3,926 figure today as the result of an increase in applications for building permits. Permits for two living quarters are included in the total, according to Richard Derby, building inspector.

Harry Zippe was given a permit for a dwelling at 1316 East Ninth street and Thomas Latimer was given authority to erect a cottage at 400 Drake avenue.

Mrs. W. K. Beattie was given a permit for construction of a storage shed at 190 West Foothill boulevard and the Pacific Electric Railway Co., in a remodeling program, was given authority to reroof the passenger depot on Second avenue. Permits were also issued to Lawrence Olive, 1982 East Seventh street, for repair of termite damage, and to W. A. Hunt, 402 Twelfth avenue, for construction of a poultry house.

Drivers' Licenses To Be Issued

For the first time in 1945, auto drivers' licenses will be issued at the Upland chamber of commerce next Monday.

John H. Pratt, license examiner for the state department of motor vehicles, will return to duty on Wednesday after an enforced vacation since early in the year. He will resume his regular license examination schedule on Wednesday and be at the Upland civic office on Monday.

His local hours are from 9 a.m to 1 p.m. and 2 p.m. to 4 p.m. Other days in the week he is in other cities giving examinations and issuing drivers' licenses.

Marie Genung Pomona College Graduate

Marie Genung, daughter of Mr. and Mrs. E. H. Genung, 1390 West Fifteenth street, Upland, was awarded a bachelor of arts degree at Pomona college commencement exercises held yesterday in Bridges hall of music on the campus in Claremont.

Dr. Clarence E. Dykstra, provost of University of California at Los Angeles, addressed the graduates Dr. W. Wilson Lyon, president of Pomona college, awarded the diplomas.

Miss Genung, a graduate of Claremont high school and Chaffey junior college, plans to do graduate study.

At Pomona college, where her major scholastic work was in English, Miss Genung was a member of the Pomona college choir and Pi Lambda Theta, honorary education society.

Truck, Two Bicycles Reported Stolen

Theft of a truck and two bicycles and recovery of the bicycles are recorded today on Upland police department files.

A truck owned by O. E. Hirschler, 636 Laurel avenue, was taken from Euclid avenue between Eleventh street and Foothill boulevard, yesterday, it was reported.

Bicycles belonging to Bill Chaffee, 1244 East Ninth street, and Leonard Hilke, West Arrow highway, were taken from the downtown area last night. They were recovered later by police at Grove avenue and East Ninth street.

McQuillens Mark 35th Anniversary In Upland

This is the thirty-fifth anniversary for Mr. and Mrs. P. H. McQuillen . . or perhaps, the thirty-fifth anniversary for Upland.

In any event, the local druggist and his bride of a year came to Upland May 1, 1910, moving here from Riverside, their temporary stopping place.

"Mac," the white-domed, baldish gentleman who operates the institution on the corner and who has made famous "Mac Says So," modestly declined to discuss his past.

He is also very busy, getting ready for the semi-annual one cent sale. What's more he writes (and pays for) a column in The Upland News and he hinted that the occasion of his anniversary will be the subject of a forthcoming column.

Lions To Install Thursday Night

New officers of the Upland Lions club will be installed Thursday night in a "ladies night" program with Allan Cook, deputy district governor, the speaker and installing officer. Mr. Cook is of Chino. The dinner-program will be in the Upland Woman's club house.

C. Ernest Olson will become president of the club and other new officers are Judge Fred H Jacobs, first vice president; I. T McFadden, second vice president; J. Harry Snowden, tailtwister; Ernest R. Camfield, lion tamer, and Howard Paulin and Lowell S. Donnell, directors.

Everett Henry is the retiring president. Leigh Thompson is the retiring first vice president and Mr. Snowden is retiring as second vice president.

Airport East of City Likely If Plans Completed

Tentative plans are being completed by George Riley for the placing of an airport on East Sixteenth street and those here in close touch with the flying field developer expressed the belief today that actual work would be started at an early date.

Exact site of the airport has not been definitely determined and the exact arrangements between Mr. Riley and the city of Upland have not been completed, it is understood. Assurance is given, however, that Mr. Riley is interested in development of the airport and that he will go ahead with the proposal just as soon as details are completed.

Dewey M. Cable, San Dimas, had sought to develop an airport west of Benson avenue at Thirteenth street, but his request for this improvement has been denied by the county board of supervisors. This denial will, at least temporarily, delay Mr. Cable's plans. It is reported, however, he has completed purchase of the property, since the escrow time limit was about to expire.

Mr. Riley approached the Upland chamber of commerce and city of Upland officials early in the year relative to an airport and he selected a site on Sixteenth street east of Campus avenue as the best suitable for a flying field.

Whether he will develop the field and operate it as his own personal venture or whether the city will lease the property and rent it to Mr. Riley is one of the details yet to be decided. A change in the present zoning law is also required before placing of an airport would be permitted there.

Owen E. Atwood, chamber of commerce president, said today that Mr. Riley was very much interested in going ahead with his plans here if various details can be completed at an early date.

Marketing Group To Study Valencias

The Orange Administrative Commttee appointed by the secretary of agriculture will discuss a proposed marketing policy for the 1944-45 valencia orange crop.

A meeting for the purpose of formulating such a marketing policy will be held by the Orange Administrative Committee on Thursday, May 3. This meeting, open to all growers and handlers of oranges, will start at 11:00 a.m. and will be held at Committee headquarters, Room 1118, 111 West Seventh street, Los Angeles.

Postal Receipts Up 10 Per Cent

Income to the Upland post office during April was 10 per cent greater than for the same month a year ago, Postmaster Orton P. Brady reported today.

Receipts totaled $4,945.79 last month, a figure $456 higher than April, 1944.

Parkside Hall Nearly Ready

Providing a meeting place and recreation hall for residents of Parkside project, the community building will be finished within a few days, Otto S. Roen, executive director of the Upland Housing authority, reported today.

About 100 feet by 30 feet in size, the building is equipped with kitchen and dining room facilities and indoor recreational apparatus. Adjacent to the building is a large open field which will be used for soft ball and other playground games.

Buys Store From Hjamar Anderson

J. HARRY SNOWDEN

Shown above is J. Harry Snowden, who will become owner of Anderson's Market next week having purchased the long-established food concern from Hjalmar Anderson. Mr. Snowden has resigned as manager of the local Safeway store to enter business for himself. Mr. Snowden and his wife have resided in Upland for 12 years.

Legion To Get Citation for Membership

For having membership this year larger than was the average of the last four years, Upland post of the American Legion will be given a citation at the May meeting in the clubhouse tonight.

On the roll at present are 101 Legionnaires.

Commander I. J. Linkey will receive the citation from Ralph Martin, district commander of San Bernardino.

A steady increase in membership and attendance has been recorded and the citation comes from the national commander and will be given by the district representative.

Sign at Euclid and Ninth Down Due To Auto Accident

The Pacific Electric railway sign was broken off and a car was slightly damaged as the result of an accident Saturday evening at Euclid avenue and Ninth street.

Cars driven by Wendell A. Hogan, Chino, going south on Euclid, and by Glenn R. Williams, 893 East Ninth street, going west on Nnth, figured in the accident. No one was injured.

Mr. and Mrs. Eugene E. Bean, Jr., their children, Gregory and Cynthia, and Mrs. Bean's mother, Mrs. A. W. Galentine, 520 North Laurel avenue, motored to Alhambra Sunday and were guests for the day of Mr. Bean's parents, Mr. and Mrs. Eugene E. Bean.

12,460 Pounds of Clothing Given

While the local quota in the old clothes collection campaign was not reached, the response was highly gratifying, leaders reported today.

Total of 12,460 pounds had been packed ready for shipping up to last night and Howard Paulin, chairman of the committee, estimated 2,000 pounds more would be packed.

The campaign is definitely over, however, and Mr. Paulin said facilities would not be maintained for further handling of the clothing.

Boxing Equipment Sought for Use of Upland Cub Scouts in Tournament

Boxing gloves are going to be put to use by Upland Cub Scouts—if they can be obtained from Uplanders.

A miniature "Golden Gloves" tournament will be held here this month—if enough boxing equipment is donated and if enough good fistic contenders are signed up. The first Cub Scout boxing practice will be held in the Scout house on Third avenue at 7 p.m. Friday, under the direction of Richard Allen.

In the first place, this is an appeal to the public to donate boxing gloves and punching bags to the young, active Cubs. All donations are to be taken to the police station. Police Chief Eugene L. Mueller is Cubmaster and all equipment left there will be put to good use.

In the second place, this is an appeal to the Cub Scouts to report to the scout house for the boxing practice. Mr. Allen is a skilled boxer and he will give the young Scouts a few pointers on the fine art of handling the gloves and working the punching bags.

In the sports world, a "golden gloves" tournament brings together the top-notch boxers in a series of matches. In a miniature manner, the local "golden gloves" tourney will unite the best of the Scout boxers in matches.

Thousands Jam Into Canyons On "Fish" Day

Fish were the center of attention early today.

Hundreds . . . .

No, that figure should be . . . thousands . . . there were that many fishermen in the streams in San Antonio canyon and Cucamonga canyon this morning.

Some term May 1 a "national holiday" and so it appeared this morning as the cars, heavily loaded with sportsmen and fishing equipment, crowded the roads leading to the streams. Hardly standing room was available as the nimrods sought to get the best spot for their favorite sport.

How about results? Of course, fishermen are entitled to a little exaggeration, but conservatively speaking, the answer is "good".

Twenty thousand trout were "planted" in San Antonio canyon a short time prior to opening of the season and the Cucamonga stream received 3,000 young trout two weeks ago, according to Alex Fader, local sporting goods dealer. Earlier in the season other plantings occurred.

The local canyons have been widely publicized and local sportsmen as well as those in adjacent areas went there to get their first limits.

San Antonio and Cucamonga canyons will be closed to fishing on June 25 as a precaution against the start of forest fires.

Jas. Merchant Closes Store Temporarily; To Be in New Location

James Merchant announced today he is temporarily closing his clothing store at 240 East Ninth street and that he will reopen at an early date in the location now occupied by the Peggy Jeanne dress shop, 257 East Ninth street.

Mr. and Mrs. C. Dean Miller, proprietors of Peggy Jeanne, are remodeling their building used by Mr. Merchant at 240 East Ninth street, preparatory to moving their store there. When the Peggy Jeanne store is located at the new address, Mr. Merchant will occupy the building vacated by the dress shop.

Funeral Services This Afternoon for Frank D. Emery

Final rites were held this afternoon at the Stone mortuary for Frank Dow Emery of 525 North Euclid avenue, who passed away early Saturday morning after suffering since last December with a heart ailment. He was 72 years of age.

Born and educated in Washington, D.C., Mr. Emery early in life joined the New York Avenue Presbyterian church of that city. He came to California in 1917 and lived in Lindsay before coming to Upland 24 years ago. He was employed here in the packing houses, having worked for many seasons at the Upland Heights Orange association.

Surviving are his wife, Mrs. Mabel Doubleday Emery; a brother, Fred Emery, on the editorial staff of the United States News, Washington, D.C.; a niece, Mrs. Earl Whitman, and a cousin, Mrs. Grace Moxley, both of Whittier.

The Rev. Clarence E. Reynolds, pastor of the Upland Presbyterian church, conducted the funeral service, and cremation followed at Pomona. The ashes will be sent

Funds Go Higher; $45 in Food Gift

The Upland News food fund advances to $45 this week and the Saturday dividend day fund of $24 is retained in the jack-pot as the result of "no winners" being awarded the money.

B. F. Engle, 242 F street, failed to have the necessary sales slips for the dividend day fund last night. He was given a consolation award of $1. The Engle address is recorded on page 21, line 54, in The News' complete residential directory.

The food fund was not awarded last Thursday because J. O. Westclock of 624 East Seventh street did not have the necessary sales slips from the food stores participating in the "food day" plan.

Stores advertising in The News today are eligible to issue sales slips tomorrow and Thursday. To qualify for the award, food is to be purchased on these two days total purchases to be at least $1.

Paper Drive to Be Next Week

Paper will be collected from Uplanders by Upland school children one week from today in the third paper salvage campaign of the school year.

As is customary in the drives, householders are to tie up papers and magazines and have the bundles ready for the school children when they call in a house-to-house solicitation next Tuesday. Papers and magazines are not to be mixed but are to be kept in separate bundles. The bundles are to be of convenient size.

The area from Foothill boulevard south to the Santa Fe right-of-way and from Grove avenue to Laurel avenue is to be solicited by the students from 8 to 11 a.m. next Thursday, said Ernest R. Camfield, who is directing the details. Residents outside of this area are asked to cooperate by bringing their papers and magazines to the nearest school building.

"We have had splendid cooperation in the previous campaigns," Mr. Camfield emphasized. "We want the residents to wrap up their magazines and papers in the same manner as in the last drive and have their bundles ready when the students call."

The salvage is taken from here to Los Angeles firms which process the paper and reclaim it for use in the war effort. Money received in the sale of the paper in Los Angeles is placed in the student funds in the local schools.

From time to time local residents ask local officials "when will another paper drive be held." The campaign next Tuesday is an answer to that question and it provides an opportunity for all local residents to further cooperate in salvaging vitally needed paper.

Second Zone Law Hearing Soon

Second hearing on the proposed changes in the Upland zoning law will be held May 10.

This hearing is in accordance with legal procedure in changing the zones. It is pointed out that people who made protests at the first hearing last Thursday will not be required to attend the second hearing, although they may do so if they wish. The proposals have not been changed but are the same as submitted at the first hearing.

The various changes proposed in the zoning law have been requested by individuals or groups, or are suggestions that have come up from time to time within the planning commission. They do not necessarily have the approval of the commission, but are submitted according to law to the public for discussion and study.

Echo Benefit Will Attract Many on Friday, Saturday

Friends, supporters of Beulah college and the general public will be present for the Beulah College Echo benefit program in the college auditorium Friday and Saturday nights. The same program will be given each evening.

Appearing in the presentation of "Dust of the Road" will be Marilyn Hershey, John Troyer, Owen Alderfer and Ethel Reeser "Tardy April" will be given by Robert Zook, Ruth Asper, Harriet Byer, Roberta Mitchell and Ardys Byer.

A mixed chorus will appear in musical numbers between the two events on each evening's program.

Memorial Day Plans Discussed

Further plans for the observance of Memorial Day were made at the special committee meeting in the Ontario American Legion hall last night. Details will be announced at an early date.

Memorial Day will be similar to last year's program, with a mass meeting being held in the evening at the Chaffey civic auditorium. The speaker for the services will be announced at a later date.

A parade will precede the services with the termination point being at the steps of the auditorium. Arrangements are under way to secure the services of an army band for the occasion and it is expected that many service units will be in the line of march.

Church services are to be held on Sunday, May 27, with Upland being selected for that occasion. The church program will be announced later by Mrs. P. S. Colling, chairman.

A special memorial program for the day is also being planned at the Bellevue cemetery. The program will be held at 2:30 p.m. as an outdoor feature, with everyone invited to participate.

LT. McMASTERS LEAVING

Lt. Robert McMasters will leave soon for Lincoln, Nebr., where he is scheduled to receive an overseas assignment. He has been visiting his wife and parents, Mr. and Mrs. Harvey McMasters, Campus avenue, for several days prior to going to his new post.

For many months he was an air corps instructor at Gardner field, Taft.

LT. ANDERSON CITED

Second Lt. Dean Anderson, first pilot on a B-17 in England, has been recommended to receive the Distinguished Flying Cross for special bravery in missions over Germany, according to word received by his parents, Mr. and Mrs. Leslie Anderson, former College Heights residents who now live in Cottage Grove, Oregon.

The 20-year-old pilot has been in service two years and was commissioned a year ago.

USO Plans and Leaders Listed

Plans for dances at the USO during May and a report of activities during April were outlined today. USO canteen hostesses for this week were also announced as follows:

Today, D.A.R. and Red Cross canteen; Wednesday, Upland Eastern Star; Thursday, Ontario Christian church; Friday, San Antonio Heights League; Saturday, Upland Woman's club.

Dance sponsors for May follow: May 4, Upland I.O.O.F. lodge; May 11, Ontario Elks lodge; May 18, Alta Loma Service club; and May 25, Upland Lions club.

Upland Legionnaires and Auxiliary were in charge of the dance last Friday. Present were Mr. and Mrs. I. J. Linkey, Mrs. Don McKean and E. E. Carter.

Attending the April dances were 494 service men and 231 junior hostesses.

Presbyterian Women To Hear Address by Mrs. Alvah Fessenden

Opening at 11 a.m., the monthly meeting of the Women's Association of the Upland Presbyterian church will be held Thursday in the social hall of the church, Mrs. Henry M. Busch, the president, announced today.

After the routine business has been given attention, Lt. (j.g.) Henry M. Busch of the armed guard of the navy, will speak to the members on "Report from the Front Line."

The group headed by Miss Ethel Moorhouse will serve the noon luncheon.

"The Christian Home" is the general theme for the month of May, and Mrs. Alvah Fessenden of Lake Arrowhead, president of Riverside Presbyterial, has chosen "The Home, the Basic Christian Unit," as her subject when she addresses the group in the afternoon.

As an added feature, Patsy Medley, a junior at Chaffey high school, will tell "What My Parents Mean to Me."

NEPHEW IS KILLED

Word has been received by Mrs. Louise Corona, Sixth avenue, that her nephew, Pfc. Claude R. Mendoza of Selma, was killed in action March 31. He was the son of Mr. and Mrs. I. Mendoza of Selma. Private Mendoza was in the Pacific theater of the war.

Mrs. J. J. Southworth today began her new duties as an assistant in the city water department, succeeding Mrs. George Cassell, recently appointed city clerk. This is the same position Mrs. Southworth left five years ago when she accepted an appointment to the San Antonio Community hospital office staff.

The first collection of clothing has been made. What amazement and curiosity these items will arouse in their new wearers—such clothes as they never saw before. We are wondering if the result will be to Americanize the subsequent styles where these things are worn—or will they be rejected as extreme and ridiculous? Haven't you wished you could see the new wearer of some pet suit you discarded?

Hitler's final monument in Berlin—a gravestone of broken masonry, piled on broken bodies of his people; a once great capital reduced to ashes; a city condemned to death by its own fanatical leaders.

President Truman pictured the past and the future when he said in opening the San Francisco peace conference: "If we do not want to die together in war, we must learn to live together in peace."

It takes but little imagination to picture the size and destructive power of robot bombs that can be developed in the years to come. Winston Churchill has revealed that in England 2,754 persons were killed and 6,523 injured by 1,200 robot missiles. One bomb alone killed 167 persons. These figures emphasize more than ever the necessity of men's ability and inventive genius being turned toward constructive, rather than destructive lines.

Extravaganza time—what an event that is to Chaffey students of today and what memories that inspires for Chaffey students of former years. The traditional extravaganza has provided many students an opportunity to "put on their acts". It's also the big event of the year for the general public. Friday night is the time.

A Kansas farmer recently applying at his rationing board for two gallons of kerosene to be used as an insecticide was asked to fill in an application blank asking, along with other things, what equipment was to be used. With great care he wrote: "One pan, one rag, one stick to stir with".

What does it add up to? Appeals and appeals are made for men and women to work in almost every industry. Yet, there are at least 21,000 persons in the state receiving weekly unemployment checks from the state because they cannot find a job.

For the last 25 years one of the hardest working men in Upland has been Hjalmar Anderson. He has sought to serve the community by maintaining an attractive, well-stocked grocery store. His retirement from the grocery business through sale of the store to Harry Snowden is a change that will be noted by many Uplanders.

Boys' State Candidates Are To Register May 8

Two boys from the Upland district will be selected to attend Boys' state, the annual "government school" sponsored by the American Legion in Sacramento.

All boys, Chaffey students, interested in attending are to make application to Principal Ernest W. Fischer by May 8. The boys' attendance will be sponsored by the Upland post of the American Legion and the Upland Lions club. Scholarship, student activities and sportsmanship displayed by the various candidates will be the basis for selection of the two representatives, according to San B. Rowe, chairman of the Legion committee in charge.

Boys' state will be held for a week about the middle of June. Attending from here last year were Eugene Wiseman and Herman Cordes, Jr.

Boost in County Budget Noted

San Bernardino county's final general county budget for the current fiscal year calls for gross expenditures of $6,472,699, compared with a gross expenditure program for 1943-44 of $6,171,355, California Taxpayers' association said today, making public its study of final budgets and property tax requirements of California counties.

Cross county tax requirements of $2,483,664 for this year is $286,308 more than the $2,197,356 gross tax requirement for 1943-44. Subventions, surplus, and other nontax revenues for 1944-45 total $3,989,035, compared with $2,973,999 for last year. Salaries and wages, and provision for increased reserves were the main causes for increases in the tax requirement, the association found. Increased subventions and other nontax revenues and larger carry-over surplus, on the other hand, decreased the necessary local tax demand.

PADUA THEATER

Gay blooming flowers in the patio framed in the rich greenery of the surrounding foothills out of doors, and a lively Mexican Players' comedy indoors, are the double springtime attractions for visitors at the Padua Hills theatre.

"Panduro's Dream," a merry play of Toluca, the new offering at the scenic foothill playhouse, is a rollicking sequel to "La Cocina," which has just closed a long and sucessful engagement.

How durable and secure the peace will be after victory will depend upon whether we can work together with the other united nations even more closely and successfully than we have in this war —Secretary of State Edward R. Stettinius Jr.

BRIEF . . . INTERVIEWS

HOW TO BUILD

Charles F. Eppler, contractor and real estate broker at 288 F street—"A person can build a new house after a permit is obtained from the war production board. That permit can be obtained for at least one of four reasons. Those reasons are: first—receipt of an eviction notice from the present landlord; second—in case of personal hardship (too many families living in one house); third—letter from a doctor stating that new location is essential; fourth—being a veteran of world war No. 2."

JUST A CLEAN UP

Joe P. Bert, partner in Uplane Feed & Fuel Co.—"The vine growing on the front of the lot adjacent to our building got too large to maintain any more and we, therefore, moved it away. No, we are not getting ready yet for any building. It would be fine if we could build. That may come some time later."

4 Points Cited in 'Clean-Up' Week

May 1 to 7 has been declared as "clean up" week by the San Bernardino county board of supervisors.

Officials of the state and federal forests have joined in supporting the supervisors' proclamation in urging all residents to cooperate to the fullest extent in eliminating fire hazards.

"We would like to suggest a few measures which would eliminate conditions which contribute to much of our trouble each year," said William A. Petersons, U.S. forest supervisor. He listed the following points:

"Maintenance of a 30 foot clearing around all buildings and improvements located in grass, brush or forest covered areas.

"Elimination, of all trash and rubbish piles. (This may be accomplished by a written burning permit procured from the nearest fire chief, ranger, or fire warden.)

"Careful inspection of incinerators to see that a safe clearing is constructed around them and to insure that such incinerators are provided with adequate spark arresters and spark tight doors.

"Inspection of all chimneys and flues to insure that adequate spark arresters, such as approved type galvanized hoods or screen arresters with a mesh not larger than one-quarter inch are placed thereon."

The Red Cross Blood Donor Service was inaugurated at the request of the surgeons general of the Army and Navy in 1941.

will be interpreted all over the world as Yankee imperialism."

In a blast against cartels, he said that the war effort of the Allies was retarded because of them. "The trouble with cartels is that they have the power of government, yet are not responsible to any government."

SURPLUSES EXCHANGED

Stating that international trade is simply an exchange of surpluses he showed that a tariff only interferes with this exchange of goods. By the exchange of surpluses each country profits, but when the tariff enters the picture, only trouble ensues.

The speaker endorsed the proposals of the Bretton Woods agreement, and expressed hope that it would be adopted at the San Francisco meeting.

"I don't believe in government in business," the speaker said, "but when private business fails to meet its obligation, the government is forced to step in."

The possibilities of success for the San Francisco conference are greater than were those of the peace conferences after the first world war, because the animosities and demands for reparations of 1918 are not present in the conference at San Francisco, the speaker said.

Edward S. Eiche Claimed by Death; Last Rites Today

Friends paid final tribute to Edward S. Eiche of 1960 North Euclid avenue this morning when funeral services were held in the Wee Kirk o' the Heather at 11:30 o'clock. Interment was in Forest Lawn cemetery.

Mr. Eiche passed away Saturday at San Antonio Community hospital after a two weeks' illness at the age of 73 years. He had lived in Upland about eight years, coming here from Long Beach. He is survived by his wife.

Public Hearing On Buildings in County Planned

Public hearing on a proposed "building protection ordinance," will be held in the courthouse May 11, the measure being designed to raise the standards for construction in unincorporated areas.

The proposal is the result of suggestions from members of the county planning commission, farm advisory committee, lumbermen, building supply dealers, mountain and desert residents and other interested persons, according to Harold Zenz, director of the commission.

The new ordinance would prevent unsafe, unhealthy and unsightly construction projects in the unincorporated areas of the county, tending to build up property values rather than destroy them.

Leasing of War Plants Urged

Leasing of war plants would mean continued employment by creating jobs for returning veterans and those released from war production, was the opinion voiced by Henry J. Kaiser during a recent visit to the Fontana shell plant.

Kaiser said that Attorney General Francis Biddle's proposal that surplus war plants should be leased rather than put up for immediate sale means that "government and industry can use the facilities created for war to build a productive economy far surpassing anything we have known or imagined."

It was pointed out by the attorney general, Mr. Kaiser stated that it will normally take "at least six months" to convert war plants to peacetime use and an equally long period for a prospective purchaser to collect sufficient economic and engineering data to determine whether he desires to submit a bid on the property.

Mr. Kaiser stated that since the senate committee on small business has held hearings to determine how war plants could contribute to postwar requirements of the American economy, all agencies having to do with the disposition of government owned surplus property now "can have a better understanding of the law and its intent."

"The findings of the committee," he continued, "now have confirmation in the attorney general's statements about the law and the method of its application.

"The great advantage of having a clarifying opinion at this particular moment, is that it will enable industry to use the lead-time which is so essential to postwar programs. Industry must be ready for peace on the very day the war ends. The time-lag is a critical handicap which the attorney general has helped to overcome.

"To me this statement is a step toward formulating a plan. It echoes the universal hope that a nation united for war now proposes to be unified for peacetime employment. With equity and due consideration for the interests of all, government and industry can use the facilities created for war to building a productive economy far surpassing anything we have known or imagined."

EVEN GREATER VALUE!
EFFECTIVE MAY 1, 1945 "U.S." ANNOUNCES NEW LOW CEILING PRICES

Today, only a handful of people are eligible to buy new tires. Whether you are one or not, we think you should know what "U.S." is doing to give you constantly improved tire performance at lower cost. Since the summer of 1943, U.S. Royal DeLuxe prices have gone from $17.11 for the 6.00 x 16 to $15.20 . . . a reduction of more than 10%.

During the same period, U.S. Royal DeLuxe, always a quality leader, has consistently increased its mileage performance. Keep this in mind . . . whether you are eligible for tires now, or must wait until later, you'll always find the price of U.S. Royal DeLuxe surprisingly low for the quality U.S. Royal DeLuxe represents.

DAV Auxiliary To Elect Officers Thursday Night

Mrs. Jack Stryker, commander, has announced the monthly meeting of the Auxiliary of Disabled American Veterans for Thursday evening at 8 o'clock in the W.R.C. Memorial hall in Ontario.

The main business will be the nomination and election of officers for the coming year.

Legion Auxiliary Will Entertain District President

Mrs. Emily Eblen, president of the Twenty-fifth district, will make her official visit to the Upland unit of the American Legion Auxiliary at the May meeting of the group Thursday evening in the Legion club house.

Mrs. Donald F. McKean, president, will open the session at 7:45 o'clock.

Bruce Miller Speaks On "Democracy in The Schools"

Bruce Miller, superintendent of Ontario schools, gave an inspiring address on "Democracy in the Schools" to members of San Antonio chapter, Daughters of the American Revolution, at their meeting yesterday afternoon in the Ontario Woman's club house. He stressed the importance of building the spirit of democracy in even the youngest children, and he praised the teachers for their cooperation.

Mrs. T. Melvin Lee, program chairman, introduced Mr. Miller, and also presented a trio of Chaffey college musicians. Miss Laurel Hillman, pianist; Miss Caroline Grossi, violinist, and Miss Francyl Cowles, 'cellist, delighted their audience with a group of selections.

Mrs. F. G. Reichardt, from the Marietta chapter, Marietta, Ohio, was welcomed into the local chapter.

Mrs. W. B. Harvey, the regent, presided over the business session, and asked that the allowance that would have ordinarily sent her to the conference, which this year is omitted because of war conditions, be contributed towards one of the projects sponsored by the national organization. One of these, the installation of a radio system at Mayo general hospital at Galesburg, Illinois, has just been completed at a cost of $60,000. Other projects on which they are working are a mobile X-ray equipment for a hospital ship and a mobile X-ray equipment which can be taken to wounded soldiers on outlying islands of the Pacific.

Mrs. Everett W. Henry was hostess for the tea which followed the program, and was assisted by Mrs. C. C. Hamilton, Mrs. O .K. Granger, Mrs. E. G. Blackert, Mrs. H. N. Petch, Mrs. F. S. Ordway and Miss Zephyr L. Allen.

Mrs. H. I. de Berard presided at the attractive tea table, which was decorated with a centerpiece of spring flowers in pastel shades and white candles.

Others present at the meeting were Mrs. Frank L. Allen, Mrs. J. I. Countryman, Mrs. J. F. Hamilton, Mrs. George B. Harding, Mrs. James Everet Hays, Mrs. T. Melvin Lee, Mrs. Charles A. Mayo, Mrs. Bruce Miller, Mrs. L. R. Nichols, Mrs. Henry Nichwander, Mrs. J. W. Onstott, Mrs. U. J. Schmid, Mrs. C. S. Traphagen, Mrs. Edward Conklin, Mrs. Frank Holbrook, and Mrs. F. G. Reichardt.

Grandma Haston Celebrates 79th Birthday Anniversary

Mrs. G. W. Haston, who makes her home with her son and daughter-in-law, Mr. and Mrs. Guy Haston, observed her 79th birthday anniversary Sunday, and to celebrate the occasion, the younger Mrs. Haston invited two of "Grandma" Haston's close friends to a birthday dinner at the Haston home, 226 South Campus avenue.

Following the dinner, the three grandmothers,—the honoree, Mrs. Callie Davis and Mrs. Emma Hogan, enjoyed a happy social afternoon.

Mrs. E. E. Mathers assisted Mrs. Haston with the serving.

Red Cross Will Recruit Nurses

Fontana is cooperating with San Bernardino chapter, American Red Cross, in its campaign to recruit graduate registered nurses and other women for service in the military forces and on the home front, Mrs. George A. Tilt, executive secretary of the Fontana branch, announced today.

The week beginning April 30 has been designated "Nurse Recruitment Week," she revealed.

Only graduate registered nurses are eligible for army, navy or veteran administration service, but any woman may enroll for training as nurse's aide or in home nursing classes, releasing nurses to the armed forces and relieving the home front shortage, Mrs. Tilt added.

Further details may be obtained at the San Bernardino Red Cross chapter house between 10 a.m. and 4 p.m. daily during the week beginning April 30, or from Mrs. Tilt here.

She reports Mrs. George Gibson has been named chairman of the Red Cross nurse recruitment drive in the San Bernardino chapter area, assisting Mrs. Gabrielle Mulvane, permanent nurse recruitment chairman. Mrs. J. D. McWhinnie, home nurse chairman, and Mrs. John A. Patton, nurse's aide chairman, are cooperating.

Chaffey Seventh In Big Meet

Nine points scored by Chaffey placed the Tigers in seventh place in the annual invitational meet on Graber field Saturday.

Tom Hayes leaped 22 feet, 4½ inches in the broad jump to give the Tigers their only first place rating in an event. Frantz scored third in the 880, Bill Sachs finished third in the high jump and DeYoung fourth in the 220 to help make the 9-point Tiger total.

El Monte repeated last year's victory by scoring 41 points and first place for the meet's top honors. The El Monte contingent won the Graber trophy for the second consecutive year. Whittier, 15 points, and Redlands, 14½ points, won second and third honors.

Santa Ana won in the novice event with 20 1-5 points. Chaffey's novice entry scored 5 points and finished toward the bottom in the standings.

Twenty-six schools were represented on the field but the all around El Monte team dominated the events and outcome was not in doubt soon after the start. Austin Snyder, El Monte, accumulated 12½ points by placing in the 100 and 220 dashes, in the broad jump and in the relay.

Chaffey Netters Win Upset

Among tennis followers, Chaffey's defeat of San Bernardino high school at the county seat Saturday was one of the most startling of the season. The highly touted San Bernardino racquet wielders lost 7 to 4 when the Tiger doubles team scored a clean sweep.

Stanley Gunstream and Russell Blood scored a win to give the final victory count. They won their match 6-3; 3-6 and 10-8. Bill Dingle and Jerry Truesdale of Chaffey won their doubles match 6-4 and 6-3.

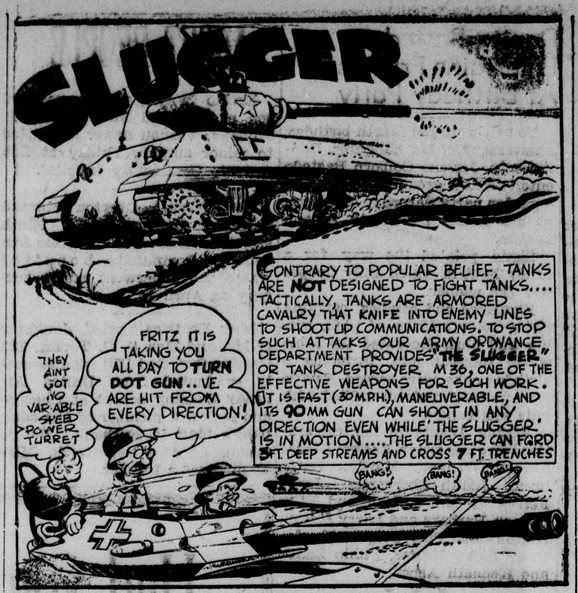

Other Chaffey netters were Allen Cohen, Norman Sharp, Dick Hanna and Jack Whaley, all of whom lost their singles matches, and Don Johnson who won his singles match.

Library Books On Retail Trade

"Going into business for myself" is as American as steak and apple pie (when one can get it). It is also as Californian as cabbage-sized geraniums.

In California, retail trade has always played a bigger part than in most other states, quoting from "Jobs for Californians" in Retail Trade, just received at the library. The article says: "Because climate, scenery, and a thousand intangibles that might be labeled 'glamour' or 'good living' have drawn tourists, artists, retired people to California, because Californians themselves like to live well, because so many Californians have become city dwellers, there has been a greater need than elsewhere for those whose job is to serve the ultimate consumer . . . Even those who live in California's small towns have become accustomed to almost as much service as big-city dwellers."

Beside this pamphlet on retail trade, one can find help in almost any trade or on almost any subject, at the library. Not only the government, but may publishers, and other agencies, keep the library well supplied with material.

Extravaganza Cast Ready for Big Production

The biggest entertainment program on the Chaffey schedule will be presented Friday night when the annual extravaganza will thrill a capacity audience in the civic auditorium.

The outstanding event will be presented by the combined campus musical organizations and talent. Many classes, organizations and individuals will appear in acts and skits. In addition the college charm choir, the advanced high school girls glee club, the sophomore girls glee club and the boys chorus will appear in special selections.

S. Earle Blakeslee is general production director.

Among the cast are: Robert Marshall singing "Wagon Wheels," Barbara Del Eckford presenting "Nevada," and Elena Martinez singing "Spring in My Heart." Incidental soloists include David Swain in "I Walked In" and Carol Guitierre in "Romany Life" with the high school advanced girls glee club. Esther Herndon featured in "Tumbling Tumble Weeds," Janet Bogue and Carol Barr in "I'm an Old Cow Hand" supported by the charm choir.

Dancers Billy Wolfe performing to the music of "I Never Knew" and Elizabeth Jones tapping to "Sompin' at the Savoy" will form a team for "Sleighride in July." Patsy Meyers presents a dance to "Accentuate the Positive," and leads a group in a routine to "Don't Fence Me In."

Quartet composed of Bonnie Rennie, Lois Fakler, Mary Mobley, and Tom McChristy will sing "Dream" and "Tabby the Cat." A trio including Harriet Addison Wilda Pontin, and Wanda Shinn will present "Moytle." The Firemen's Quartet composed of David Swain, Joe Moon, Robert Marshall, and Russell Mathews will perform "The Fireman's Bride."

Instrumentalists include Dorothy Waggoner and Virginia Gardner playing a piano duet, Eddie Underwood accompanying the charm choir on his guitar and singing genuine cowboy songs. Pianists are Donald Knox and Katherine Henry. Barbara Patton and Janet Voyles will do a specialty number in the plantation scene with the boys glee club.

Agricultural Committee Plan

A statewide agricultural committee, of which Ray Wiser, president of the California Farm Bureau federation, is chairman and George Selhmeyer, master of the California Grange, is vice chairman, has conceived a plan by which it is believed the rural districts of the state may more effectively participate in the coming Seventh War Loan drive.

It is suggested by this committee that a more effective utilization of man-power and a higher percentage of contacts with the rural citizens may be accomplished through the coordination of the efforts of all organizations, rural and otherwise, in each community without consideration of individual or organizational credit.

C. O. Hoober, coordinator of rural support for the Seventh War Loan drive, is holding conferences in the eleven Southern California counties with the agricultural leaders and chairmen of War Finance committees.

NOTICE OF SALE OF REAL PROPERTY

NO. G-1715
In the Superior Court of the State of California in and for the County of San Bernardino.

In the Matter of the Guardianship of the Person and Estate of ADELE FRANKISH, An Incompetent.

NOTICE IS HEREBY GIVEN that the undersigned Guardian of the Person and Estate of Adele Frankish, An Incompetent, will sell at private sale, to the highest bidder, upon the terms and conditions hereinafter mentioned, subject to confirmation by the Superior Court of the State of California in and for the County of San Bernardino, on or after the 14th day of May, 1945, the following described real property belonging to the estate of said ward, to-wit:
Lots 4 and 5 and 6, in Block 92 of the SOUTH SIDE TRACT of Ontario, San Bernardino County, California.
Terms and conditions of sale: Cash, lawful money of the United States upon delivery of deed by said Guardian, and after confirmation of sale by said court; taxes to be apportioned to date of sale. Guardian will furnish purchaser with Guarantee of Title.
Bids and offers must be in writing and may be left at the office of Edward E. Gray, 378 Second Avenue, Upland, California; or may be left with the Guardian personally at 603 South Euclid Avenue, Ontario, California; or may be filed in the office of the Clerk of this court at any time after the first publication of this notice and before the making of the sale.
Guardian reserves the right to reject any and all bids.
Dated this 25th day of April, 1945.
SYLVESTER K. SERIO,
Guardian of the Person and Estate of Adele Frankish, An Incompetent
EDWARD E. GRAY, Attorney for Said Guardian, 378 Second Avenue, Upland, California.
First Publication: April 27, 1945. 103-5

PUBLIC NOTICE

The Planning Commission of the City of Upland, California, hereby GIVES NOTICE to the public and to all owners of real property within such city, that on Thursday, May 10, 1945, in the Council Chambers in the City Hall therein, at 7:30 o'clock in the evening, it will hold a public hearing upon proposed or contemplated changes in or additions to the present Zoning Ordinance of the City of Upland, and as hereinafter set forth.
That at such public hearing any and all persons having any interest therein may appear and be heard, either in favor of or against any of such proposed or contemplated changes or amendments.
The proposed or contemplated changes or amendments are as follows:
1. Change from R-3 Residence, to M-1-B Light Manufacturing the following:
Beginning at a point on the west line of Campus Avenue and 195 feet south of the center line of Ninth Street; thence north 65 feet along the west line of Campus Avenue, thence west 70 feet along a line parallel to Ninth Street, thence south 65 feet along a line parallel to Campus Avenue, thence east 70 feet to the point of beginning.
2. (a) Change from M-1-B Light Manufacturing to R-3 Residence, all territory along both sides of the Atchison, Topeka and Santa Fe Railway Right-of-way from the east line of Lots 617 and 630 Ontario Colony Lands to Euclid Avenue.
(b) Change from M-1-B Light Manufacturing, and M-2 Manufacturing and Industrial, to A-1 Agriculture, all territory along the north side of the Atchison, Topeka and Santa Fe Railway Right-of-way, west of the east line of Lot 617 Ontario Colony Lands.
3. Change all territory in the C-3 Commercial and Business along Foothill Boulevard, as follows:
(a) To A-1 Agriculture all territory east of Campus Avenue.
(b) To A-1 Agriculture all territory along the north side of Foothill Boulevard west of Campus Avenue.
(c) To R-1-B Residence all territory along the south side of Foothill Boulevard west of a point 158 feet east of the east line of Second Avenue.
(d) To R-3 Residence, all territory along the south side of Foothill Boulevard, between a point 158 feet east of the east line of Second Avenue to Campus Avenue.
4. Change from A-1 Agriculture to R-3 Residence all territory in the Blakeslee Subdivision from Lot 1 to Lot 30, inclusive. (This is the Beulah College area).
5. Change from R-3 Residence to C-3 Commercial, the following:
Beginning at a point on the south line of Arrow Highway and 275 feet east of the center line of Third Avenue, thence east along the south line of Arrow Highway 30 feet; thence south along a line parallel to the east line of Third Avenue 263 feet, thence west 93 feet, thence north along a line parallel to the east line of Third Avenue to a point 133 feet south of the center line of Arrow Highway, thence east 63 feet, thence north to the point of beginning.
6. In A-1 Agriculture east of Campus Avenue and in the area adjacent to Sixteenth Street, to permit the establishment of a possible Airport.
7. To restrict Multiple Family Residences in A-1 Agriculture, and to define the same as meaning structures other that hotels designed for or used to house more than one family living independently of each other.
8. To provide that no automobile trailer shall be used as a place of habitation upon any premises other than upon a site established therefor.
9. To provide a certain flexibility in the application of the Zoning Law by permitting variance therefrom, when practical difficulties, unnecessary hardships, or results inconsistent with the general spirit and purpose of the Zoning law may occur through the strict interpretation thereof; and providing the method whereby variance may be granted, when the same will not result in material damage or prejudice to other property in the same district or vicinity.
10. As there already have been several amendments to the original Zoning Ordinance, to provide that the original Zoning law, together with the amendments shall be set forth in a single new Ordinance, and to permit any necessary or convenient modification of the language of such original Ordinance and amendments heretofore made thereto, so long as the spirit and purpose of the same are not modified or done away with in any substantial manner.
11. To define Rooming Houses, and to permit householders in Residential or Agricultural areas to take in roomers when such activity is only incidental and does not transform the household into a commercial rooming house as defined; and to define, limit or regulate rest homes in such areas.
12. To provide that a non-conforming use may not be changed to any non-conforming use; and to provide for the gradual elimination of all non-conforming uses through abandonment of use, obsolescence or destruction by fire or the elements.
13. To prohibit, limit, or regulate piggeries, rabbitries, goat farms and commercial chicken raising in the Agricultural Zone, and to provide that such uses are not to be considered permissive as merely incidental to agriculture.
14. To provide that no church or other public, or semi-public building may be constructed in the Agricultural or in any Residential Zone, without first securing the consent of the Planning Commission so to do; and to provide that in any such instance the Planning Commission may require that any automobile parking problems, or parking hazards in connection therewith, shall be reasonably and properly guarded against, and the public generally protected, by requiring that there shall be space provided upon the site itself for parking, or by some other reasonable and proper plan.
15. To zone for Park, or other public purposes, the following area: Bounded on the west by First Avenue, on the north by D Street, on the east by Second Avenue, and on the south by Pacific Electric Right-of-way.
DATED: April 12, 1945.

Hooda Thunk It ?????

Fer the lerve of peace and prosperity, sez The Medicine Mixer to that dignified and decorous group of Boston Brass Hats who are the responsible ossifers of The United Drug Company I. E. and Nee—The Rexall Stores of the United States, Canada and the British Empire. Let's lay offen the REXALL ONE CENT SALE til we gits enuf of merchandise to make a showing.

Always, their reply — couched in impeccable Bostonese — "Some thirty-five years ago we initiated and promulgated the REXALL ONE CENT SALE. We did it to extend the services and products of REXALL. It is our Birthright and we do not propose to let it languish."

Anyhow that is the gist of the rejoinders and those which smothered Old Mac's feeble protestations.

So, this is the week for The Rexall One Cent Sale.

The air will be cluttered with song, story and tapdancing. Strings of the Boston Symphony will twang, Durante and Moore will contribute their inimitable drollery. Rexall Hollywood Revue, featuring Al Pearce, Kenny Baker, Cass Daley, Harlow Wilcox (almost said Harlow Wilson), Lud Gluskin and His Musical Pot-Shots—all those and Moore (plus Duranty), will form the background on which will be heralded THE REXALL ONE CENT SALE—

Only — only — only — we didn't get half enough merchandise to make a four-day sale as advertised and ballyhooed. So—Mac The Medicine Man — and His Trusty Crew — including the independent and effervescent Eddie—are going to celebrate THE REXALL ONE CENT SALE—JUST ONE DAY—that's next Sattiday, May the Fifth!

Will be the traditional Cash and Carry—Get it first as of yore, with nothing reserved — except in certain few instances where scarcity of goods makes a limitation the only system that appears fair to everyone.

So it is Sattiday only—regardless of the big sales sheets available at MAC'S DRUG STORE — which yell it from the top of Page One about a four-day sale.

Several items advertised we will not have——stock restrictions, transportation and recent Federal regulations. Anyhow it will be a Sattiday value such as we are only able to offer twice a year.

Cheerfully yours,

YOUR REXALL DRUG STORE OF UPLAND AND COMMUNITY

Scout Camporal May 5 and 6

Every Boy Scout troop in Old Baldy council should be in attendance at this year's camporal for the training value which they will receive, Harold N. Barbour, field representative for the council, said today in announcing the event.

The time for the camporal is Saturday and Sunday, May 5 and 6, and the location chosen is in the pasture land about two miles back on the California Insititute for Men's ranch between Chino and Corona. Troops will camp together by patrols in four different camp sites, which will be selected by the commissioners.

Scoutmasters will be guests of the troops, but are not to advise or assist in setting up camp or in preparing meals. Three meals will be cooked—supper, breakfast and dinner, but the Sunday dinner will be the only one to be judged. The patrols must select the menu from the Merit Badge on Cooking requirements in preparing this meal.

Judging will be done on cooking, camping, camp layout, equipment and conduct.

The camp-fire program on Saturday night will feature tales of Death Valley days by William Caruthers, well-known author and radio script writer. Songs will be led by Ernest R. Camfield of the Upland junior high school faculty.

Religious services will be held Sunday on the grounds for both Protestant and Catholic faiths.

The committee in charge of the camporal is composed of Millage Ingram, F. E. Mattox, George Imhoff, George Santo and Charles Overholtzer. Old Baldy council includes Scout troops from San Dimas to Fontana.

Registration time is 3:00 to 5:30 p.m. Every patrol should arrange to have the patrol name and troop number on the site. Applications will be mailed to the Scoutmasters and they will bring them to the camporal.

Santa Fe Holds Garden Contest

Santa Fe employes and their families along the 13,000 miles of track operated by that line are busily engaged in cultivating their spring gardens in competition for more than twenty-five hundred dollars in war bonds and stamps being offered as prizes for the annual Victory Garden contest being sponsored by the company.

Official announcement of the system-wide competition was made today by F. G. Gurley, president of the railway.

"The Santa Fe and all other industries in the nation have been called upon by the government to aid the victory garden program and it is our duty as American citizens to respond and do all we can to increase food production," Gurley said. "As in the past, land along the right-of-way will be available for employes who do not have a garden site of their own," he stated.

NEWS of MEN AND WOMEN IN UNIFORM

LT. MARTIN IN U.S.

First Lt. John W. Martin, son of Mr. and Mrs. W. M. Martin, 941 Washington boulevard, Upland, has arrived in the United States on furlough from the European theater of operations, where he served seven months with the Eighth Air Force as navigator on a B-17. He completed 30 missions, totaling 350 combat flying hours.

TWO YEARS IN EUROPE

Lt. Clyde Danner is observing his second anniversary of service in Europe today. The son of Mr and Mrs. Clyde C. Danner, the Uplander arrived overseas May 1, 1943 and he has seen active service ever since. The most recent word from him to his parents told of a successful airborne landing in Germany. It is presumed by his parents that he is in the glider division of the air corps.

MARIAN WALL VISITS

Marian Wall, who is in the WAVES and stationed at San Francisco, was visiting friends and relatives in Upland yesterday while on a short leave. She is a former Chaffey junior college student and a niece of Mrs. Dora L. Hilbert, 248 North Euclid avenue.

MARION ANDERSON RECEIVES ORDERS

Miss Marion Anderson, daughter of Mr. and Mrs. Leslie Anderson of Cottage Grove, Oregon, former residents of College Heights, has been accepted as an army nurse and will receive her commission as a second lieutenant in a few days. Next week she will leave for Fort Lewis, Washington, where she will be stationed at Madigan hospital for three weeks. From there she will receive her regular assignment.

Miss Anderson is a graduate of Chaffey high school and attended Chaffey junior college. She took nurses training at the General hospital in Los Angeles, graduating on January 31.

ENS. KILBOURNE LEAVING SOON

Ensign Florice Louella Kilbourne, daughter of Mr. and Mrs. D. R. Kilbourne, West Twenty-fifth street, San Antonio Heights, is awaiting her assignment as a navy nurse. She received her commission in the naval reserve April 18.

After graduating from Chaffey college in 1941, she took her nurses training at Huntington Memorial hospital in Pasadena, and joined the Cadet Nurse Corps in 1943 as soon as it was organized. She and three of her classmates at Huntington went to San Diego, constituting the first group of cadets to be sent on a military affiliation. Ensign Kilbourne completed her work there last October.

In the past few months she has been employed as a nurse in both the Southern Permanente hospital in Fontana, and the San Antonio Community hospital.

Edison Co. Gets New President

Directors of the Southern California Edison Co., following the annual meeting of stockholders on Friday, elected Harry J. Bauer chairman of the board and named William C. Mullendore president. Mr. Bauer and Mr. Mullendore had been president and executive vice-president, respectively. All members of the board of directors were unanimously re-elected by the stockholders in their meeting in the Edison auditorium.

In announcing the election of Mr. Mullendore as chief executive officer of the Edison Co., Mr. Bauer said: "This lightening of my duties and transfer to Mr. Mullendore of the main burden of top executive responsibilities, is a move which I had hoped could be made some five years ago, but at that time, with war clouds gathering, and with some rather large unfinished tasks, such as our last bond refunding, before us, it was agreed that I should remain on until a more opportune time for the change. This year, although the war is by no means over, we are placing growing emphasis upon the postwar phase of our problems. The beginning, within this next year, of what probably will prove to be the period of reconversion and readjustment to peacetime operations, seemed a logical time for the board to call upon Mr. Mullendore to take over."

Too many people fall down on the job of growing old because they don't take their time about it.

Indiana wife has asked police to help locate her husband, gone three months. Perhaps she sent him to match some ribbon.

Exasperated Coast Artillery officer to a newly enlisted recruit: "Don't stand there and tell me how much it costs the taxpayers to fire this gun. When I tell you to fire, fire!"
